used my hand to move his tip to my pussy opening. He got up me, hooking one arm under my leg as he humped in and out.

My tits were jiggling about

grabbed his nuts, squeezing and massaging them until every drop had emptied out. Maybe not quite the technique I'd use to pipe the other kind of sweet stuff, but

His prick powered into my plump arse

and so he helped himself to another suck on them, soon finding out that if he did it hard and sharp, my cunt would jerk tight around his shaft.

Next time my pussy clenched, he fucked me faster, thumping my plump arse against the wall as his prick powered in and out.

Suddenly he let out a groan – it echoed and I jumped slightly, tightening even more as he started spunking inside me.

I reached down and

it worked!

Can't wait to feel his cock inch up my swollen, tender twat again...

Barn cakes

Growing up on my parents' farm, I saw it through new eyes when I had mates from uni, who'd grown up in towns and cities, come to visit.

Stuff I took for granted – like our big barn with its hayloft – were really exciting to them. My mate Ellie started running around, squealing, flinging bits of hay up in the air.

I told her how, when I was a girl, I used to sleep there some nights in the summer holidays, just for the fun of it. Of course, she begged me to let her kip there too, and so that night, we went there with two sleeping bags.

Ellie likes a smoke but for safety, it was strictly no ciggies in the barn! So, instead, we took a couple of bottles of wine with us to help us drift off.

It was quite a hot night, so we didn't zip ourselves into our sleeping bags – instead

Ellie getting us in a sixty-nine, pussy over my face as she went down on mine. She greedily licked my lips then tongue-dipped my hole, slurping up the juices.

I just went with what she was doing, and what I thought she'd like, and it obviously got her going. She licked my clit again, fingers finding my pussy, and I followed her lead, easing a couple of mine in her hole.

That did it for her, she started to writhe around, riding my face, and I felt my own snatch tingle. I slid my mouth back over her twat, sucking on it as her pussy muscles squeezed my tongue. Then I was gulping down her sweet cream. Within seconds, I was cumming in her mouth too.

I gulped down her sweet cream before cumming too...

feel and taste how moist I was. I sucked her fingers clean, then kissed her, letting her share the flavour off the tip of my tongue.

Next, I got to taste her pussy from her fingers, then we just went straight to it,

One more juice-soaked kiss and we dropped off, snuggled up naked.

I don't think either of us regretted it, and it hasn't affected our friendship. I fancy seconds though!

we unzipped them, spread one out like a groundsheet and used the other one like a quilt.

We swigged our booze out of the bottles – we didn't get rat-arsed, but we were pretty giggly when we settled down. I wriggled out of my jeans to sleep in my T-shirt and knickers, and then Ellie did the same.

I thought she'd be sparko in minutes – the country air usually had that effect on people who weren't used to it. But as I started to drift off, I heard a little whimper, and a rustling sound.

I listened harder and realised she was playing with herself. It made sense – she said drinking got her

horny. And she obviously thought I was asleep, or didn't care.

The thing is, hearing her was getting me horny too. I started to stroke my cunt through my knickers, and let out a little moan. Ellie froze, then I said: "Don't mind me." I told her this was a sexy place – I'd actually lost my cherry to a local lad here, just before I'd left home for uni.

She asked if I had ever been with a woman here – I told her I'd never been with a woman full stop. So she asked if I wanted to go for another first.

I was just pissed and turned-on enough to say yes, though our first couple of snogs were a bit silly till I my head around the idea of fucking my mate. Soon, we were naked under our quilt, Ellie's hands all over my body. I groaned as her hand snaked in between my legs.

"Fucking hell, I thought I was wet," she said, pulling out three fingers soaked to the knuckle, and smearing them on my lips so I could

SWINGERS' DINNERS

Fish Central
London EC1V

Julia Jones's trawl for good food continues at this temple to fresh fish

When it comes to a variety of pun-tastic names, fish restaurants lag only behind hairdressers – think The Godfather, A Salt and Battered and Northern Sole. There aren't many laughs to be discovered in Fish Central's moniker (it sells fish, it's central, on the outskirts of the City), but there was more than enough

aquatic excellence at good prices to keep me and an old seadog from the office in a mild state of happiness that didn't involve a trip to the pub.

Fish restaurants display the contradictions of English eating habits – fresh, pearly-white fish offers delicacy, lip-smacking freshness, healthiness –

THE SQUID COULD HAVE STARRED OPPOSITE CAPTAIN NEMO

then we cover it in batter and order an extra-large portion of chips to go with it. Fish Central combines the best of old-school artery hardening English chippies (spanking great chips, malt vinegar,

enormous monoliths of cod – they also run the chippy next door) and the Southern European chic we all aspire to now – grilled sardines, scallops, sweet salads.

When departing from these twin traditions, they became like landlubbers clinging, whey-faced, to the deck. My starter of chargrilled squid was so fresh it could have starred opposite Captain Nemo – approximately three minutes earlier. But the Thai flavourings were half-hearted and unbalanced. And “plawn clackers” should never appear on a plate in a restaurant with even modest ambition.

They regained their sea legs with the Mediterranean flavours accompanying a generous helping of scallops, a massive whole plaice simply seared and doused in butter and lemon and an enormous flaky pastry sarcophagus containing the partial remains of a smoked haddock in a cream and mushroom sauce. The fish did not die in vain. Sides of chips and salad had my sides groaning.

But there was no discomfort at the bill. At under fifty quid for two, with a decent bottle of Muscadet thrown in, we could (almost) forgive the lack of puns. So I'll just say the *Escort* team and I will be frequent fryers at this plaice.

REAL WIFE SEX

Nadine,
St Albans

When Simon wins his mate's girl in a card game, he's unsure whether he should poker...

Some mates and I were playing poker one night when one of them, Chris, turned into an over-competitive arsehole. We'd just been playing for chips and I cleaned him out, but he said he could beat me if the stakes made it worth his while.

After a bit of haggling, we agreed. If I lost, he'd get my shitheap of a car (an old Polo if you must know). And if I won, I'd "get a go on" – his words – on his

girlfriend, Nadine. Well, it seemed like it was worth a punt.

I won. I didn't expect to shag Nadine – for starters, her pussy wasn't his to bet with. I just hoped she'd stick the knee in when he broke the news to her, teach the git a lesson! Then she called me up and said I had a month to claim my winnings.

Even then I didn't take it seriously

– I told her she was even more shit at bluffing than Chris. "OK," she said. "Saturday night – be here at 9pm."

I went out of curiosity, thinking it had to be some kind of stitch-up. But Chris let me in and there she was in the living room, all done up in lingerie and sussies and hooker-style make-up.

"Seriously, you want this?" I said. She walked over, towering in her heels and

kissed me, tongue deep in my mouth. That's when I decided to go along with it, see how far I got before they shafted me somehow!

I cupped her tits, thumbing her nipples through her bra, then felt her hand trail down to my crotch. She groped me through my trousers then unzipped me, squeezing and stroking my hardening cock. Chris hadn't left the room, so I

was another contest now. At least there wouldn't be any losers.

I pressed gently but firmly on her head, coaxing her to bend forward and suck me. "You only won a shag," said Chris. I ignored him and Nadine told him to shut the fuck up, before taking me halfway down her throat, hands caressing my balls.

I couldn't resist another look at Chris, now fondling her arse. He looked a bit pissed off at not being in charge any more, but then his eyes went to his

girlfriend's bobbing head, and the sight of her gobbling me obviously turned him on.

Nadine was a woman on a mission, sucking and wanking me against her tongue, barely stopping for breath. Chris had his dick out too and was rubbing it against the back of her thong. As he yanked the thin string of fabric up into her slit, she gasped and started to suck me even harder.

I knew I was finished and, even as I thought it, I felt myself start cumming, Nadine sucking greedily on every drop.

SINNER TAKES IT ALL!

risked a glance at him, and he was grinning at the sight of us. I should have known he was the "like to watch" type.

Not that he was satisfied with just that. As I copped a feel of Nadine's snatch, he got in behind her and took over playing with her tits. As she moaned with pleasure at this, I started frigging her harder, like this

Keep in trim

Being single, I miss taking a stiff prick in my cunt, but it's fun finding other ways to keep myself happy.

One of the things that really

can't resist occasionally!

It makes me feel much sexier in my everyday life, too. I treated myself to some sexy, silk knickers – I love how they feel against my bald labia. It just warms and teases me all day so I'm constantly ready

£120

turns me on is shaving my pussy. I didn't realise how much fun it was till I did it as part of a masturbation session.

I've got quite a thick, dark bush. I actually like to play with it, but when it's gone, that's nice too. The skin on my snatch is more sensitive to the touch, whether I'm frigging myself off – or fucking on a one-night stand, which I

for a fucking. If some bloke I fancied walked in the room, it would just be knickers down and his cock right up me. I'd be wet enough for him, no matter what the size of it.

Mostly, though, it just keeps me happy all through the day and I'll get naked on the couch and take care of myself when I get home. I love just lying there with my pussy

Nicola, Cambridge

I wedge a mirror between my legs to watch my cunt

throbbing, licking my fingers clean one at a time.

I really love how my pussy looks when it's smooth, but it's how it feels that's the best. One touch and I can't take my hands off it, it's even silkier than my undies against my fingertips.

I'll often delay touching it, feeling myself up everywhere but... Curves and tits, give my arse cheeks a little hand-spank, then linger on my nipples a bit more. Finally, though, my hand will creep down to my slit.

It's quite pouty – my clit doesn't poke through my outer lips on its own, not even when I'm fully horny. So I'll rub them, stroking my velvety skin. Then I'll part them, just a little, so there's an ooze of juice from between them which I spread outwards a bit.

Like any single, sexual girl I've got a collection of sex toys – I treat myself to a new dildo every month or so, and they just keep getting bigger. I've probably hit my limit with my latest one, it's that hard to get inside. I need to be sopping wet and totally relaxed

CONTACT ME

before I can ease the bulb of it into my snatch. But I soon get used to it. I sometimes use a vibrator on my clit when there's a fake prick inside me, but I never really need another toy with this one – a bit of fingering is enough to get me there.

I also like to grind a dildo against my clit, just relying on the friction and heaviness of the solid rubber to make me cum.

Watching myself masturbate is a thrill, too. I'll wedge a mirror in between my legs, so I can look down and see how wet and puffy my cunt is getting. I'll edge the head of my toy closer to my hole, and watch myself open up to receive the tip.

I usually lube the shaft. Then I'll go slow, take as many goes as it needs to get it in me, watching my pussyhole stretch then close around the thickest, then the thinner parts of it. I love how, when I've got the helmet in me, my cunt shrinks back to grip the shaft tight.

It's easy to satisfy myself without a bloke. But I'd like to think that reading my letter got your readers hard and that one day I'll meet a sexy one who knows a few tricks!

Nicola, Cambridge.

LOLLY

It's August and licking a lolly till your brain freezes is one of the great pleasures of the British summer. But this year readers can ignore Fabs and Twisters and munch on their own Lolly. Unfortunately there's no joke etched on her clit so we asked her to tell us one. "Er, okay! An old couple are having breakfast on their fiftieth wedding anniversary. They strip to celebrate by having sex. 'Honey, my nipples are still as hot for you as they were 50 years ago,' says the old woman. 'That's not surprising,' says her hubby. Tarted up

For her birthday, a mate of mine had a 'WAGs and Slags' night out, where we all went in fancy dress.

I managed to borrow a really good blonde wig and a tight mini-dress – I got the footie wife thing so spot on it was a bit scary.

My real hair is dark, and my usual dress sense more

I walked past him a couple of times, made eye contact, then queued up by the bar, a little bit further down. Sure enough, he came over and bought me a glass of cheap champagne, and we were snogging before I'd downed the last of it.

I acted a bit more pissed and giggly than I was, squeezing his arse. His hands began to wander, too, stroking my boobs. I whispered to go into the gents and I'd follow

and so I couldn't straddle him sat on the loo. Instead, I turned round and bent over it, reaching back to splay myself.

He wet a thumb and stuck it up my arse while fingering my cunt. Then he replaced his fingers with his cock, driving in balls-deep.

It was a bit of a frantic shag – he was going for it, so I frigged my clit even faster wanting to cum before he shot. He grunted and sucked in his breath as my pussy clenched tight.

Even when I stopped cumming, I kept squeezing

him with my walls, finally coaxing me to a massive, wet cum – when he pulled out, I felt the wetness gush down my inner thighs.

I got down on my knees and gave him a sucking, swallowing a big mouthful of jizz before we were interrupted by someone bashing on the door.

I've also got to admit, when I saw him down a pub later that week – with me as myself – he didn't look at me twice.

Goes to show what tarting up can get you!

I thought I'd see how far I could push it, pull a bloke who I'd normally consider out of my league – and my target that night was Geoff.

He was waiting, beckoning me into a cubicle, and seemed so fucking chuffed that I hadn't changed my mind! As we snogged I groped his crotch, and his hand was soon up my skirt, fondling my pussy through my thong.

I got it out and wanked him as stiff as I could get him. There wasn't much space

REAL WIFE SEX

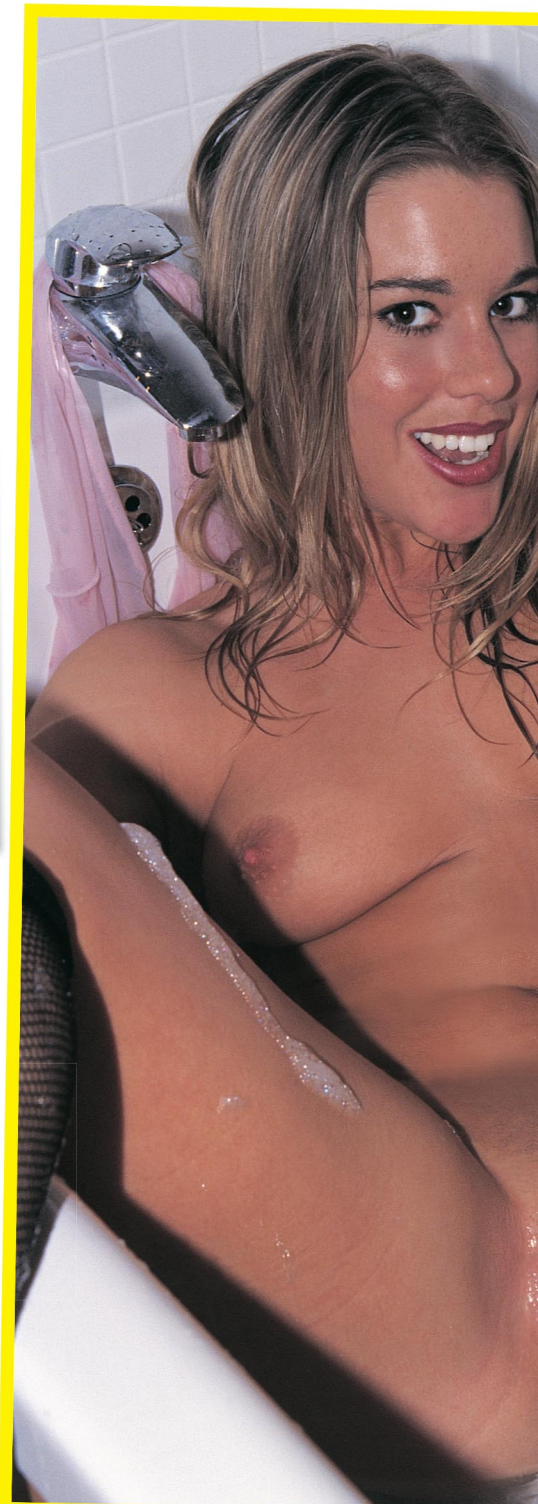

Simon's story continued from page 19

cheeks. And Chris came porno-style, too – Nadine had obviously swallowed enough for now as she grabbed his cock and tossed him off over her face.

I left after we had a beer, not wanting to push my luck. But just over a week later, Nadine called and said she couldn't stop thinking about what had happened, and did I want to meet up again, just the two of us.

We had a bit of phone sex, me getting

She let it pool in her mouth, showing me and then Chris, before swallowing.

"Do I still get my shag?" I asked her, and she smiled and nodded, then turned to play with Chris's cock.

He got her to slow it down, wanted a sucking while I boned her, so she told him to warm her up, laying back so he could lick her pussy. Watching them – him with three fingers jammed in her snatch and tonguing her clit while she fondled her own tits – got my dick twingeing, then I started to get hard again.

We had her on all fours between us, tits hanging out of her push-up bra and her thong pulled down around her thighs. The suspender straps were stretched tight against her arse and her slit was shiny-wet and dark pink with excitement.

The anticipation of slipping my cock

into it was almost as good as it felt for real, tight and hot, engulfing my entire shaft. I tried to pace myself, to make the most of fucking her, but my dick was aching to bang her hard. And I didn't resist for long. Soon I was giving it to

her good, not caring that she had to stop sucking Chris. He seemed happy enough wanking his cock to a blur as his girlfriend moaned and clenched her snatch around my pistoning prick.

I came first – a few spurts inside her, then slapping my wet length on her arse to spunk on those beautiful round

my cock out as she filled my ears with filth about what she was going to do to me when we met up again. She was fingering her minge too as I told her what a hard pounding she was going to receive from me.

I feel like a bit of a shit, screwing my mate's girl behind his back but he kind of brought it on himself, I think you'll agree. Anyway, I think the dirty bastard would be more turned-on than pissed off if he ever found out!

Dinner service

My randy best mate Jess invited my boyfriend Ben and me over for dinner. They get on very well – too well for some girls, but not for me!

“So what do you reckon?” I said to Ben when Jess let the silky robe I’d lent her fall open to reveal her sexy undies. Her boobs and pussy were half-spilling out of the tight silk, ripe for a good fucking. “He’s not looking at the food is he?” I said.

Jess served the meal to him and I could tell he was getting horny at the sight of her. But when they started flirting I wanted in on the fun too.

I got in behind Ben and started kissing his neck and blowing in his ear.

“Is Jess gonna get a kiss

too?” he said, and I knew what he was hinting at. She looked a little nervous, but we’d knocked back enough wine to get over that quick enough – so we started snogging in front of Ben, Jess teetering in slutty heels.

Ben got up and reached in my knickers to finger me. This just got me dry-

humping Jess like I was in heat.

Now she was rubbing all up against me, trying to grind her mound against mine. I got her boobs out – they were straining anyway – and Ben started touching her up, too – now he had a juicy twat in each hand.

One obvious problem was he

Stormy pleasure

He was lying stretched out on the covers, cock in hand, cracking one off. Not that I was bothered – as long as I didn’t have to be

frightened on my own!

The electrical storm meant that I had to run to one of my mates’ hotel rooms next door to mine. Andy grabbed a pillow and covered himself up. “Have a drink,” he said.

My hands were shaking as I poured myself a glass of his tequila, then knocked it back in one. We cuddled up, me shaking like a leaf and him hugging me tight whenever the storm kicked off.

As per usual, I felt like a right tit when it was over, but he was sweet about it and didn’t give me a hard time. “Sorry about your wank,” I giggled, and he asked was that an offer to make it up to him! We snogged, and I wondered why nothing had ever happened between us yet. And then I

stuck my hand down his trousers to find him still hard as an iron bar.

I took the hint and stripped

my walls, and thumping up against the top of my pussy.

He shagged me hard and I fingered my clit, cumming

off. I couldn’t stop moaning, and by the time his hand stroked down to my pussy, it was running a river.

I felt so warm and sexy inside, from the booze and what we were doing.

Now all I wanted was Andy’s hot cock deep in my cunt. I rolled on my back, opening my legs, and he got on top, just kissing me at first, then sliding in, all deep and delicious. His big, stiff rod was rubbing up against

couldn't wank himself.

He had to find something else to do with his cock, but when he went to fuck me I told him Jess was up for it. They pounced on each other.

Now I was seeing my best mate and my boyfriend fucking. They looked so sexy together, Jess's boobs wobbling like jelly as Ben gave it to her hard.

I started frigging off again, eyes now drawn to their sticky-wet crotches as my own pleasure built again. I got a sharp twinge in my pussy as I saw him use his

thumb on her clitoris – I knew exactly how good that felt and I could see it was getting to her too, from how her body was jerking on top of the table. Then, after she'd cum, he pulled out and wanked himself all over her stomach, aiming his spunky wad right up to her tits.

I told Ben it was only fair that he should clear up the kitchen while Jess and I cracked open more wine. He said I could do it while she sucked his cock. In the end, we left it till the morning!

around him as he gave my tits another suck. Then he asked could he cum on them. "Yeah..." I told him.

He sat over me and slapped his cock, soaked with my juices, in between my cleavage, then whammed my boobs hard together around it. He started thrusting, controlled at first, then more urgent, like he might lose it. I told him to give it to them, I wanted to see them drip with my cream, and he really went for it.

It wasn't long before he hit the brink, letting out a long, low grunt then spunking – it felt like gallons – all over my baps.

Later, I gave him another

treat – stepping onto the terrace, the rain melting and washing away his cum.

This meant I needed warming up again, and so he took me in the shower, screwing me hard up against the tiles...

Bum fun

Anna, who I met in a bar, didn't mess about – she was on the rebound.

Back at my hotel, she wriggled out of her jeans. Then she walked over and shoved her trimmed pussy in my face. She tasted gorgeous, fresh but musky, and I got my first feel of her bare arse.

Now it was too tempting – I turned her around, getting her to grab her ankles so I could eat her out from behind. By sheer force of will, I kept to her clit and pussy – very horny, but it was like her arsehole was winking at me, daring me to have a go at it.

I laid back on the bed, hard-on curving up, telling her to sit on it. I knew she'd ride me fucking hard to satisfy herself, and that's what I got. She straddled me and put my prick up her cunt in one go, then shagged the arse off me, thighs clamped tight up against my body.

bumhole. She didn't object when I started to play my hardening prick up and down her juicy, wet crease.

I breathed in deeply then

Did I mention how glorious her arse was?

**Anna,
Scotland**

Did I mention just how fucking glorious her arse was? Anyway... I got her legs spread slightly, then used my tongue and fingers to work jizz, spit and juices over her

started inching myself in, feeling how tight, stretchy and slippery it was, and how hot the inside of her arsehole was.

Her bum took everything I could throw at it and when I slacked off, I felt her moving up against me, pushing and circling. She was frigging her clit, and when she came it shook through me as well.

I wanted to spoff over her suntanned arse but was too reluctant to pull my dick out of her hole.

In the end, I shot deep inside her, then lapped away hungrily at her clit and pussy just for the hell of making

her cum again.

Whoever her ex is, he's a dickhead for letting her go. Still I'm bloody grateful that he did!
